

➤ FAST AND FLEXIBLE INDUSTRIAL PROPERTY SOLUTIONS.
ANYWHERE IN HUNGARY.

› YOUR PILLARS. YOUR GROWTH.

At Inpark we are dedicated to exploring new avenues in industrial property development. We build strong partnerships on the pillars of our expertise and our extensive knowledge of the local market, as well as our comprehensive long term property solutions to support our customers' businesses. We are developing an industrial park network that offers the widest range of sites throughout the country. But more than just constructing and managing industrial and logistics properties, we create a solid foundation for our customers to thrive in Hungary.

ABOUT INPARK

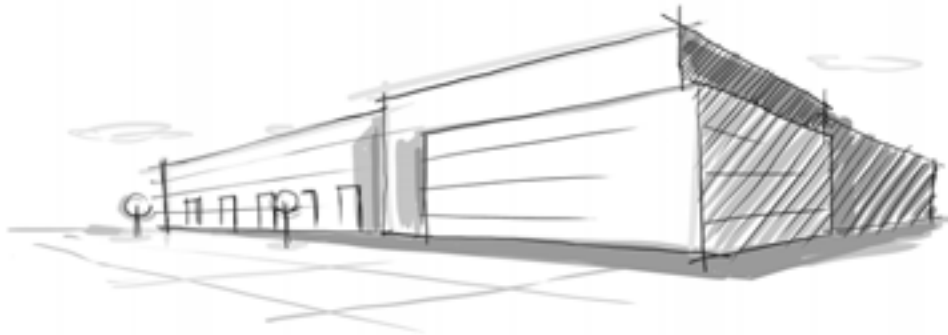

Inpark is an industrial property group focusing on developing logistics, distribution, manufacturing and storage facilities. Fast, reliable and flexible: we are your one-stop shop for industrial properties, anywhere in Hungary.

Inpark is the brand name for the Hungarian state-owned National Industrial Park Management and Development Corporation (NIPÜF). Our core business is developing industrial properties, supporting the property needs of both Hungarian and international clients. Our real estate professionals have decades of experience in property development and project management on the Hungarian and international industrial property market. Their diverse skill set and innovative approach ensure that our clients get the competitive edge in implementing their individual property plans.

► PROJECTS

Our countrywide portfolio offers unique opportunities for companies planning to establish or expand their business in Hungary. Currently, Inpark has more than 80,000 square meters of logistics facilities under construction on two sites. Both are designated as priority investments by the Hungarian Government. This special status comes with simplified and expedited permitting procedures. Fast and flexible property solutions. Anywhere in Hungary.

➤ WHAT WE OFFER

Acquisition, design & permitting, construction,
sale or lease

Standard or built-to-suit logistics and manufacturing
buildings from 5,000 m²

Turnkey solutions

Lands for sale from 3 to 300 hectares
